Dragon Breath-Ursula Vernon  
My America, Dear America-various authors  
Dory Fantasmagory-Abby Hanlon  
39 Clues-Variou  
Hank the Cowdog— John Erickson

### 3<sup>rd</sup> Grade Math Activities

To give students a better understanding of multiplication, we are requiring each rising third grader to memorize every multiple from 1-10. Simply put, we want students to be able to skip count each number's multiples. We will work on memorizing facts during the year. Please take time to study throughout the summer. A YouTube search will pull up many skip counting songs that can be very helpful and fun for memorizing.

Returning Hamilton County students will have access to Moby Max and Zearn throughout the summer. Their login information will be attached to their summer work packet. Students should work on Fact Fluency, Mathematics on Moby Max, or Zearn to strength their math skills.

Multiplication chart 1-10

X	1	2	3	4	5	6	7	8	9	10
1	1	2	3	4	5	6	7	8	9	10
2	2	4	6	8	10	12	14	16	18	20
3	3	6	9	12	15	18	21	24	27	30
4	4	8	12	16	20	24	28	32	36	40
5	5	10	15	20	25	30	35	40	45	50
6	6	12	18	24	30	36	42	48	54	60
7	7	14	21	28	35	42	49	56	63	70
8	8	16	24	32	40	48	56	64	72	80
9	9	18	27	36	45	54	63	72	81	90
10	10	20	30	40	50	60	70	80	90	100
